New Member Information/FAQs

Chapter Meetings: The Chapter meets on the fourth Wednesday of every month except for Nov and Dec. We will announce the meeting dates to accommodate the Holidays. Generally this will be the third Wednesday of the month.

Meeting Location: Please check on our Web Site for current location and times. (https://isc2chapter-pikespeak.org/) We are currently meeting at Jack Quinn’s (21 S. Tejon Street).

Meeting Times: Networking starts at 4:30 PM and the program/meeting starts at 5:00 and runs for about 90 minutes.

Food: Members are responsible for their own food check unless one of our sponsors or presenters will pay for us at the meeting. That will be announced at the meeting. Jack Quinn’s has a variety of items on the menu, prices range from about $8-12 per entree, and appetizers are on special during happy hour.

Drinks: As in food, members are responsible for their own drinks. The Chapter or our presenters are never responsible for purchasing liquor, wine or beer. However, feel free to purchase your own beverages and enjoy them during the meetings.

Dues: Chapter dues are currently $25 a year, starting on January 1, 2020 they will increase to $30. Dues help defray the operating expenses of the Chapter and support our outreach and training functions.

CPE’s: If you have an (ISC)^2 certification, the chapter will automatically register 1.5 CPE’s for attendance at a Chapter meeting. However, we must have your Cert number to register so make sure when you sign in that you list your number. For all other Certs, the Chapter has slips at the sign in table that show you attended the meeting. These can be used for almost all other Certs although registration is manual and your responsibility.

Chapter Management: The Chapter is a registered Non-Profit LLC so any contributions, such as dues, are tax deductible if you itemize. The Board of Directors (the Board) is comprised of 5 elected officials and several appointed Chairs. Elections are held every year but appointees can serve anytime. Volunteers for the Board are always welcome. Our elected Board consists of President, Vice-President, Secretary, Treasurer and Membership Chair. The Chapter also has Chairs for Education/Training and Technology, and Members at Large. Board members may earn up to 20 CPE’s a year in addition to Chapter meetings for their service.
**Programs:** Every Chapter meeting or special function has a program. Many of our presenters are vendors or Cybersecurity Subject Matter Experts. Programs may not be used as a marketing pitch. Many members present at a Chapter meeting on a topic of their choice. There are 3 CPE’s given for developing a presentation plus 1.5 CPE’s for attending the meeting. We are always looking for program ideas or presenters so if your employer, co-worker or vendors that you know want to present, please contact any officer.

**Membership Qualification:** The membership shall consist of individuals interested in the information/cyber security field. Members must be at least 18 years of age and have:

- Not been convicted of criminal activity or conduct in the last four years;
- Never have been convicted of any crime of violence, fraud, embezzlement, murder, rape or any form of computer related crime;
- Not been decertified by (ISC)$^2$ (or any Cyber Certifying authority) for an ethics violation.

If you have any Questions please contact our Membership Chair at membership@isc2chapter-pikespeak.org or talk with any officer at our meetings.
